### CRITICAL THINKING

46. Gestures are used for communication, but the same gestures may have different meanings in different cultures.

Proposed Inferences

- (i) No two cultures use the same gestures
- (ii) One gesture will never have the same meaning in two cultures
- (iii) A person from one culture may misunderstand the gestures used by a person from another culture
  - a) Only 1
  - b) Only II
  - c) Only III
  - d) All the above
- 47. John started to spend 12 hours a day for Entrance test.

Proposed Inferences

- (i) John wish to achieve high in the entrance tests
- (ii) John is hardworking
- (iii) John is highly determined
  - a) None of the above
  - b) All the three
  - c) Both i and ii
    - d) Both i and iii
- 48. Read the given information and answer the following questions.

Statements: Government has got clearance to demolish some factories from court and construct a university in place of it. This step was welcomed by few, but many residents were against it and decided to protest against that decision.

Which of the following may not be the reason for the protest?

- I. During demolition pollution levels may increase in nearby premises.
- II. They are worried about losing their employment opportunity.
- III. They are worried that their children have to travel long distance to attend schools and colleges.
- a) Only I
- b) Only II
- c) Only III
- d) Both I and II
- 49. Many business offices are located in buildings having 2-8 floors. If a building has more than 3 floors, it has a lift. If the above statements are true, which of the following must be true?
  - a) 2nd floors do not have lifts
  - b) 7th floors have lifts
  - c) Only floors above the 3rd floors have lifts
  - d) All floors may be reached by lifts

50. Two statements I and II are given. Read both statements and decide which of the following options correctly depicts the relationship between these two statements. I - The school bus with teachers and students couldn't reach the school on time. II - A major accident took place on the road blocking the traffic. (a) If statement I is the cause, statement II could be its effect (b) Both statements I and II could be the effects of some common cause. (c) Both statements I and II are independent causes. (d) If statement II is the cause, statement I could be its effect TIE-BREAKER 1. The word that means as 'Not having or showing foresight, spendthrift or thoughtless': a) sanguine b) sycophant c)improvident d)servile 2. "GST brings 60 lakh new tax payers." What will be its likely effect on revenue deficit in government budget? a) Increase b) Decrease c) Constant d) No change 3. Which one of the following is not a marketing mix? a) Product b) Physical distribution c) Product pricing d) Production process 4. Current liabilities of a company are Rs.7,80,000, Current Ratio is 2.5:1 and Quick Ratio is 2:1. Find the value of the Inventories. a) Rs.7,80,000 b) Rs.3,90,000 c) Rs.15,60,000 d) Rs.19,50,000 5. Born on July 24,1802, this French novelist ,who was the grandson of an African slave, is known for two classic works, both adapted to TV shows and movies multiple times. His most famous book follows a young man as he travels to Paris, and is titled after a group of friends he meets on the way known as "the three inseparables". The second is about Edmond Dantes who is imprisoned under false pretexts and escapes and searches for a treasure. Who was this iconic author? a) Jules Verne b) Alexandre Dumas c) Victor-Marie Hugo d) Voltaire
